

# Kevin Costume

- Blue short sleeve leotard (or longsleeve!)
- Purple tutu
- Blue Glitter Tulle Roll
- Yellow Glitter Tulle Roll
- Orange Glitter Tulle Roll
- Pink Glitter Tulle Roll
- Teal Glitter Tulle Roll
- Fabric Glue
- Blue/Purple Feather Hair Clip
- Peacock Feathers x 3
- Black Leggings
- Black Shoes

## Directions

Cut glitter tulle colors into 6-8 inch strips (it's good to have various lengths). Stretch tutu out so you can easily glue the tulle. This will make it bunch up nicely once un-stretched. Start with yellow in the middle of the front and back, then orange on each side, then pink, then teal, then blue. Overlap them so that the colors can blend with each other. Let the skirt dry before you un-stretch it.

For the hair clip, cut three peacock feathers off and trim them so that only the "eye" part is showing. Carefully hot glue each feather into the hair clip. That's it! So easy!

# Russell Costume

- Yellow Polo
- Khaki Shorts
- Orange Bandana
- Orange Fabric
- Orange Felt
- Yellow Felt
- Green Felt
- Brown Felt
- Boy Scout/Girl Scout Sash
- Backpack
- Butterfly Net
- Various knick-knacks to attach to backpack
- Thin Wooden Dowel
- Hot glue

## Directions

For the “Wilderness Explorer” patches, cut three large circles (I used the outer lid of a mason jar as a stencil) in the brown felt. Next cut three slightly smaller circles in the orange. Cut three Christmas tree shapes out of the green felt, three W’s in the yellow felt, and three E’s (the same size as your W’s) in the brown felt. Hot glue the orange circles, centered, on the larger brown circles. Next glue the green pine tree (centered) on the orange circle. Glue the W centered on the tree and the brown E, below the tree (to make the trunk). Glue one on your yellow polo, one on the yellow hat, and set the other one aside.

With the orange fabric, cut out a triangle and glue the base to a wooden dowel. Hot glue the last Wilderness Explorer patch onto the orange flag.

Stuff a backpack with a pillow, then connect various knick-knacks, i.e. a butterfly net, pots and pans, key chains, toy trumpet, etc. Tie the orange bandana as a scarf, throw on some socks and trail shoes and you are good to go!

## Mr. Fredricksen Costume

Tweed jacket

White shirt

Black bow tie

Army Green/Khaki pants

Brown shoes

Thick square frame glasses

Baby Powder

[Grape Soda bottle top badge](#)

10 Balloons filled with helium
